Nitty Gritty

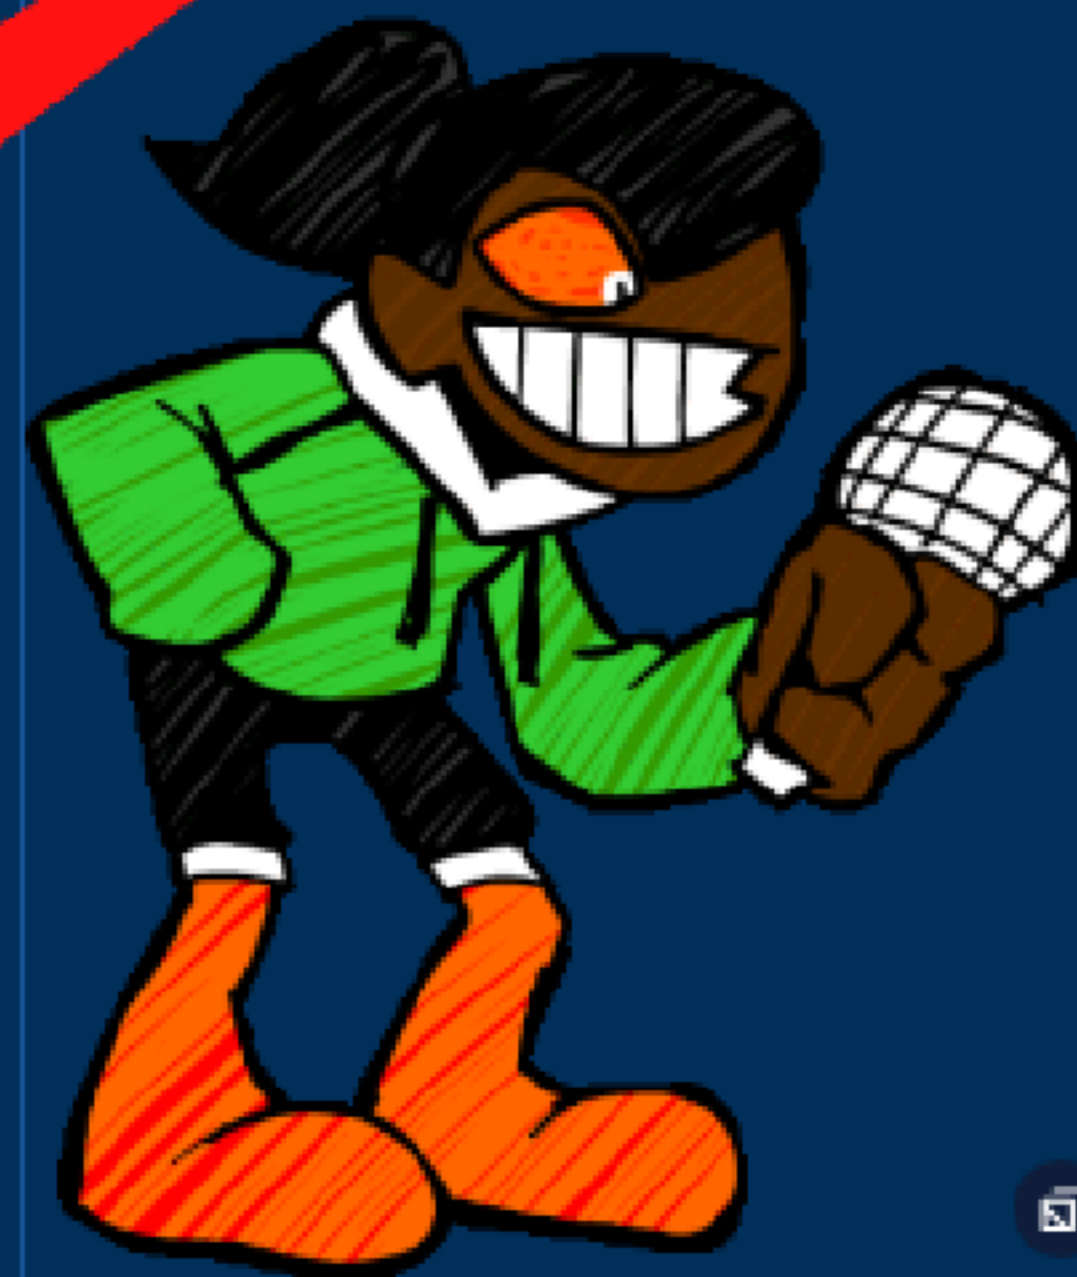

“EVERYONE KNOWS YOU’RE HERE”

— Nitty Gritty, Sock.clip’s art

Nitty Gritty is a secret character in **Vs. Whitty Definitive Edition**. His character strongly resembles Julian, the character from **Vs. Fighter**.

He exists in response to leaks. A user on 4chan /funkg/ user had gotten a leak of the Definitive Edition from SandPlanet, republished it in memory in Paint, and showed it to everyone. According to Nate Anim8, the leak dates back to November 2017. It is stated that Nitty Gritty’s sprites were made as a coping mechanism for the leak; this is reflected in Nitty Gritty’s song, Faucet, having a **Vs /v/-tan-**esque artstyle, faint use of “row row, fight the power”, the name of his sprite sheet’s file (“Thanks_4chan”), and the riddle shown after Underground (“What leaks but isn’t SandPlanet”).
